

BSN DANA DIVIDEN AL-IFRAH

Fund Objective

The Fund seeks to provide consistent income* by investing in Shariah-compliant equities with attractive dividend** yield and/or potential dividend yield.

*Note: Distribution of income will be done by way of reinvestment into additional Units.

**Note: "Attractive dividend" refers to stocks of companies which have provided an average gross dividend of at least 3% for the past 3 years from the latest financial year.

Market Review

The FBM EMAS Shariah Index declined 0.75% in March as investor took caution over the continued volatility in global market. Concerns over high inflation in the US and the spilt-over effect of the banking crises in the US, coupled with the neutral Budget 2023 pressured the domestic market. The index dropped 2.03% in 1Q2023 to 10,716.
